Information about the 27th International Tattoo-Convention 2019

Nidda, 2018/09/03

Hello Tattoo-Artists and Traders!

We would like to invite you to our 27th International Tattoo Convention in Frankfurt am Main!

For 27 years now (!) we have made the event to one of the biggest tattoo conventions worldwide. Now the name "International Tattoo Convention Frankfurt" stands for quality, increasing numbers of visitors, high media interest and professional work. **Unfortunately, I need to inform you this way that this will be the last convention organized by myself due to health reasons. I am quite sure that the convention goes on even without me. There will be some good parties who would take over the tradition of the convention.**

From April 12th – 14th 2019 the next International Tattoo-Convention will take place in Hall 5.0 on the fairgrounds Frankfurt am Main. Our motto will be **"Mexico & USA"**. We will welcome renowned artists from the region to celebrate our 27th anniversary on 3 days!

For 2019 we will book again the Mercure Hotel in Frankfurt-Eschborn for you. You can make your room reservations with the keyword "Tattoo-Convention": Hotel Mercure, Helfmann-Park 6, D-65760 Frankfurt-Eschborn-Ost, E-Mail: H0491@accor.com (www.accorhotels.com), Phone Nr.: +49 -(0)6196-9010. Special Convention-price per room is Euro 58,- for double occupancy, **which is only valid from April 11th – April 15th. Before and after the hotel will charge Euro 134,- for double occupancy. Important: do not book your room including breakfast, because otherwise you will be charged Euro 86,-!** It will be cheaper to manually pay Euro 17 for the breakfast when in the dining room. As always, we will have a shuttle service available that will transport you to the fairgrounds and back to the hotel for free. Schedule: from Friday morning 10a.m. at the Hotel Mercure and in the evening from 11p.m. back! Saturday from 10.30a.m. at the hotel and in the evening from 11p.m. back, on Sunday from 10.30a.m. at the hotel and at 7p.m. back. **Location for the "After Show" party on Saturday will be the Mercure-Hotel as well.**

Please do not hesitate and use the broad reach of our web-portals. Send us a link to your website or Facebook-Fanpage. There really is no better way to promote your business/trade for free, provided that your Information is received in a timely fashion.

See you in April 2019

With colorful greetings

Legal and Other Notices

Sales of tattooing and piercing material is permitted for exclusively registered dealers only!

Attention, check! The nature of the event has prompted in 2017 a visit of the Society for Musical Performing and Mechanical Reproduction Rights (**GEMA**). In cases of playback of copyrighted musical works (i.e. publicly hearable via radio, CD, MP3-players etc.) the demand of **fees for public performance of copyrighted musical works** can be claimed by GEMA-agents directly at your booth!

A recurrent concern with the Trade Fair Corporation in Frankfurt are polluted tables, remains of sticky tapes, splashed or colored walls which will result in **additional booth-cleaning fees**, if those kinds of violations will be detected around your booth area towards the end of the Convention.

We would like to also remind for your commitment, that your booths will be open daily at the official fairground-times and that you do not leave early, or take down your booths before the fair closes on Sunday at the official end time.

The Event takes place upon the basis of the general terms and conditions of business of the Tattoo-Convention GmbH & Co.KG. **The Event Organizer assumes no liability** for the loss of, theft of, and/or injury brought to the Event by the Participant!

Conditions of Registrations

Changes in booth size or location are only possible if you inform us in time. 4 weeks before the beginning of the Convention, it is no longer possible to implement your change requests, as the plans of the hall must go for approval to the Building Authority beforehand.

If we have not received your **registration AND your payment by January 15th 2019**, your reservation cannot be honored any longer.

Written booth reservations **can only be cancelled up to 4 weeks prior to the convention**. If you fail to appear at your booth, or drop your reservation within 4 weeks prior to the convention, you will be charged the complete booth cost as handling fee.

Registration Confirmation

Upon returning your filled out and signed registration to us (i.e. via Fax), you will receive a detailed invoice **with confirmation of the booking status**. Part of this document is the invoice number. To ensure a smooth check-in at the fair, we ask you to have this number at hand. So you gain quickly stand number and passes at the information booth on site.

Mandatory reporting health office

Just as every year, the local Health Department will inspect us on location. They reserve the right to close down any booth that does not comply with their guidelines. Please be advised to strictly **follow all the required hygienic guidelines and to work with sterilized equipment only**. We will have a Trader available that can provide you with the necessary equipment, if so required.

Equipment and Accessories

A sterilization device is available, for free Kleenex rolls and containers for fresh and waste water care is taken. Each booth has its own power supply, for clamping lamps and extension cords you must provide for yourself.

We thank you for your cooperation
